1. FOREWORD

Dear my Freshers ! I congratulate you on your successful outcome of last examination and welcome you for choosing G. L. Choudhury College to carry out a significant academic part of your career. We also please to be a part of your career building sacred task. Therefore, we are ready to provide all that require in your respective missions of career. The building and infrastructure, you have seen in this institution, the lions share of credit goes to the noble soul of this locality Late Mohan Lal Choudhury whose contribution gave a drive to establish this institution in greater Barpeta Road. However, with the pace of time, involvement of some distinguished persons of the locality and mass support of the people of greater Barpeta Road have geared up the institution to the extent of today. I hope, you will also be a part in making G. L. Choudhury College into a world class institution.

The prospect of this institution is to build a conducive academic atmosphere and to provide an all round development to the latent talent of its students. In this regard, I readily agree with the comment of the father of our nation "by education" who means "an all round drawing out of the best in child's body, mind and spirit."

Initially, however it is tried to make an ideal center of 'Humanities' for the mass students of greater Barpeta Road and its adjoining areas. In this regard, I assure you to provide the diligence of my teaching and non-teaching staff to stand yourself on your feet and till now, hundreds of students are found in the secured track of their respective lives even if, we have miles to go

Another 'great' we have been trying to do is that about 'a cosmopolitan culture' where in, this institution embraces students within its bosom from all caste, creeds, religions and communities coming from the surrounding areas and every nook and corner of the state as well. Hope, you will go a step further in building up this cosmopolitan spirit.

With best wishes to you.

Sri Jagannath Barman, M.A.

Principal, i/c

G. L. Choudhury College

2. PROFILE OF THE COLLEGE

Ganesh Lal Choudhury College was established at the heart of the Barpeta Road town as a co-educational institution in 1990. The foundation stone of the college building was laid on 16th March, 1990, by Sri Ashok Saikia, the Education Commissioner, Govt. of Assam. The classes of the first academic session were held in Sahitya Shaba Bhawan, Barpeta Road.

The college took its birth due to the generous donation of Rs. 10,00,000/- (Rupees Ten Lakhs) only by a prominent citizen of Barpeta Road, Aranyak, Late Mohan Lal Choudhury, in the name of his elder brother Late Ganesh Lal Choudhury. As such, the institution bears the name Ganesh Lal Choudhury College. Barpeta Road is one of the biggest commercial town in Lower Assam. The area has an age old reputation for its cultural and socio-economic factors. Its business and farmer populace had faced great problem in acquiring higher education till then, as there was no institution for higher education in Barpeta Road and Gobardhana Block. Youths aspiring for higher education had to go out of the area, most of whom belonged to agro-based farmers and were economically handicapped. So, a group of enterprising educationists and social workers of Barpeta Road came forward and founded Ganesh Lal Choudhury College. Apart from the donation of Rs. 10,00,000/- (Rupees Ten lakhs), the college has been carrying on its various developmental works through public collections, aids from local M.P.'s and M.L.A.'s LAD Fund etc. The college was set-up to remove the educational backwardness of the area, provide accessibility of women to higher education, give a standing to social needs and relevant assistance to the people of Barpeta Road area and the like as its goal and objectives.

Late Dr. Kamal Narayan Das, was the founder Principal. The college introduced H. S. and B. A. classes (Arts Stream) simultaneously in 1990. G. L. Choudhury College was accorded affiliation by the University of Gauhati in 1997. The medium of instruction is Assamese and English.
